

## NEWS RELEASE

**Attention business/financial editors and reporters:**

### **AEROQUEST INTERNATIONAL LIMITED (TSX-V:AQL)**

#### **Aeroquest International Announces a Change to its Board of Directors**

**Mississauga, Ontario-** January 16, 2008 - Aeroquest International Limited announces that Mr. Gordon Bogden has been appointed to the board of directors of the Company.

Mr. Bogden has extensive experience as an investment banker in the mining sector for the past 17 years and was most recently Vice Chairman and Head of Global Metals and Mining Corporate and Investment Banking at National Bank Financial Inc. Mr. Bogden is also a professional geophysicist, a current or past director of several mining companies, and one of the founders of Quantec Consulting Inc., (known today as Quantec Geoscience Inc.) He holds a Bachelor of Science in Geology from Queen's University and is a Certified Corporate Director (ICD.D) from the Institute of Corporate Directors. Mr. Bogden has been a member of the board of directors of several public mining and investment companies.

Aeroquest also announces that Mr. David Myers has informed the Company that he will not be able to join the board as was announced in an earlier press release. Mr. Myers has informed the Company that a recent increase in his professional commitments will not afford him the time required to devote to Aeroquest.

#### *About Aeroquest International*

Aeroquest International is a global information and technology services company and a leader in the development and operation of innovative and proprietary geophysical surveying platforms for the mineral and petroleum exploration, and environmental industries. Directly, and through its sister companies UTS Geophysics, and Geophex, Ltd, Aeroquest fields a fleet of over two dozen helicopter and fixed wing systems and is active on almost every continent in the world. More information about Aeroquest can be found at [www.aeroquest.ca](http://www.aeroquest.ca). More information on UTS Geophysics can be found at [www.uts.com.au](http://www.uts.com.au). More information on Geophex can be found at [www.geophex.com](http://www.geophex.com).

#### *For Investors*

This news release may include statements about expected future events and/or financial results that are forward-looking in nature and subject to risks and uncertainties. The Company cautions that actual performance will be affected by a number of factors, many of which are beyond its control. Future events and results may vary substantially from what the Company currently foresees. Discussion of the various factors that may affect future results is contained in the Company's recent filings, available on SEDAR.

*The TSX Venture Exchange does not accept responsibility for the adequacy or accuracy of this release.*
